

I am currently suspending all interior auto detailing services due to Covid-19 precautions. I am also book up weeks in advance for any auto detailing services. I hope to be back to full production soon and thank you for understanding.

Welcome to Central Coast Auto Spa Professional Auto Detailing in San Luis Obispo

Central Coast Auto Spa is an independently owned licensed auto detail shop located in San Luis Obispo, Ca. We are San Luis Obispo natives and are locally owned and operated.

Central Coast Auto Spa uses only premium grade products and equipment. Unlike your local car wash or dealership, we only use high quality waxes, sealants, compounds, polishes and top notch microfiber towels that ensure a quality durable finish.

Central Coast Auto Spa is your best choice for quality professional car detailing in San Luis Obispo. Our details are much higher quality than you find at your local car wash, dealership, production detail shop, mobile detail operation, or fly by night outfits found on craigslist.

Although we do try to accommodate most budgets, if you're looking for a quick, cheap detail on your car or truck, we are probably NOT the shop for you. We work by appointment, take our time to do the job right, and price our services accordingly.

Whether your from Paso Robles, Atascadero, Arroyo Grande, Grover Beach or Nipomo, it's worth the drive to San Luis Obispo for quality professional auto detailing.

NEW: Now in stock, CarPro C.Quartz, C.Quartz UK and Optimum Gloss Coat.
